DETAILED ACTION

The following is an examiner's statement of reasons for allowance:

Claim 1 is allowable over the prior art of record because the teachings of the references taken as a whole do not show or render obvious the combination set forth including: (1) a scissor lift mechanism comprising at least two coupling bridges arranged on opposite sides of the swivel axis with each coupling bridge having two swiveable thrust struts each connected to a respective scissor element by a pivotable connection wherein one of the coupling bridges carries at least one reversing roller for the traction member and the traction member is attached to the other of said coupling bridges.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
